The [CMS Data Element Library \(DEL\)](#) would like to introduce you to me, *Della!* *I am the new Librarian for the DEL and I have some fantastic news!*

I wanted to let you know that the **DEL** has been enhanced, providing a more user-friendly experience applying human-centered design techniques and practices. **The new version of the DEL will be available on September 23rd!**

In the meantime, there are two videos you can view to learn more about the **DEL** and how it can help you!
